A CHRISTMAS MESSAGE

from G.O.S.P.Y.A.

At this Holy time, G.O.S.P.Y.A. would like to extend all of its best wishes to you for your happiness at Christmas and throughout the New Year.

We hope you have a wonderful time with family and friends this Christmas, and a new Year filled with many good times and joy.

G.O.S.P.Y.A. is already planning many new and exciting functions for you and your friends, and we hope you will enjoy them in the New Year !

However, we still have events organised to see 1990 out !

Firstly, for those wishing to get into the spirit of Christmas, we have once again organised our traditional singing of "Ta Kalanda". If you have never attended such a night, you will find them a wonderful way to spend your Christmas Eve. We will be meeting at GOSP Hall at 6:00 p.m. where we will be organised into groups to go to many houses singing in many of the southside suburbs. So. come along and try something completely different! Bring your friends and join in the spirit of Christmas - with G.O.S.P.Y.A.

We also have our Annual Combined Youth Fancy Dress Function at the Greek Club on Boxing Night. This is always a great event and the best way to end the Christmas holidays and also get ready for New Year.

Once again we wish you a wonderful Christmas and a safe and prosperous New Year.
May you all be happy and safe during this coming year !!!
